Dear Ms Lindsey

Court Ref: COR 2011 01180
Investigation into the death of Mauro Amato

I refer to the above coronial investigation and your letter of 17 December 2013 to our Renee Wallace.

On behalf of Anaconda Group Pty Ltd I confirm that the coroner's recommendation will be implemented.

We have requested & are awaiting hard copies of the Australia New Zealand Safe Boating Education Group's "Paddle Safe" brochures from the Maritime Management Centre at Transport for NSW to be provided at the point of sale of canoes & kayaks. We have been advised that the brochures are on their way.

Moreover, we have received a high resolution printable PDF that we will send to our suppliers (here and abroad) to print and include with relevant canoe & kayak paperwork at source (ie the factory). Finally, we will also be uploading the brochure to our website.

Feel free to contact me at any time on 9765 4780 or david@srg.com.au.

Yours sincerely
