Attention – M/s Emma Lindsey,
Coroners Registrar,
Coroners Court of Victoria,
Level 11, 222 Exhibition Street,
MELBOURNE. VIC. 3000.

2nd May, 2014.

Dear M/s Lindsey,

Investigation into the death of Margareta Snopek.
Your Ref – COR 2008 002043.

On 5th February, 2014 Coroner Spooner made the following recommendations:

1. To improve safety of patients who attend Doveton Medical Centre regular audits are undertaken to ensure each patient attending Doveton Medical Centre has a legible individual health record, and the health record complies with the Royal College of General Practitioner Standards for General Practice.
2. To improve the safety of patients who attend Doveton Medical Centre, Doveton Medical Centre will record all allergies and medications electronically.

Since receiving the Coroner's findings, Doveton Medical Centre has implemented the Coroner's recommendations.

In relation to recommendation 1: on 29th April, 2014, Doveton Medical Centre underwent an initial audit of its medical records and intends for the audits to continue randomly.

In relation to recommendation 2, all medical practitioners at Doveton Medical Centre now record all allergies and medications electronically.

Yours Faithfully.

Dr. K. GUNAWARDANA.

Dr. V.N. MOHAN DOSS.
