**SOUTHBANK VIC 3006**

Dear Ms Stefano

**COURT REF: COR 2013 005543**

**INVESTIGATION INTO THE DEATH OF VALERIE BERYL MCNEIL**

I refer to your letter dated 10 February 2015, requesting a response to the Coroners recommendation from the investigation into the death of Valerie Beryl McNeil.

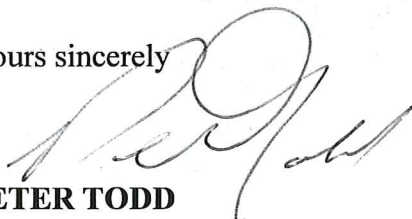

I can advise that the following recommendation; *that VicRoads review the intersections of the Hopkins Highway, Wollaston Road and Sundale Road, Warrnambool, with the view to upgrading the intersections with the aim of improving safety measures and preventing further serious injury and deaths* - will be implemented.

As a part of Warrnambool City Council's growth plan, residential subdivisions and future development works are being created along Wollaston Road. A requirement of these works is to install traffic signals at the intersection of Wollaston Road and the Hopkins Highway.

The traffic signal works are currently being constructed and completion of the intersection upgrade is expected by the end of March 2015.

If you require further information, Mr William Tieppo, Regional Director, South Western Victoria (Tel: 5225 2506), would be pleased to assist.

Yours sincerely

**PETER TODD**  
**CHIEF OPERATING OFFICER**
