History:  This message has been replied to and forwarded.

Dear Coroner Parkinson,

I am writing to you on behalf of Jim Betts, Secretary, Department of Transport.

Thank you for your correspondence dated 30 July 2012 in relation to the Investigation into the death of Warren J MARKS - 2010/3808

I note that the findings, received on 2 August 2012, contained the following recommendations:

That the responsible rail authorities erect a fence along the boundary between the maintenance access road and the rail reserve between Ramsden and Roseneath Street to restrict pedestrian access to the rail track. That an assessment be made of the need to reinforce the existing fence at the site where the western side of the rail reserve meets Roseneath Street.

Kindly note that I have been informed by Metro Trains Melbourne (MTM), that fencing was erected at the site in March 2011, prior to the release of the findings and recommendations.

MTM have confirmed that the fencing satisfies both of the recommendations, and that they had written to you on 16 August 2012 with regards to this matter.

If you need further information, please do not hesitate to contact me.

Kind Regards
