Dear Mr Munro

**Investigation into the death of Paul M Gendre**

I refer to your letter dated 16 September 2016 regarding the investigation into the death of Paul Gendre, the Finding without Inquest made on 16 September 2016 and Goulburn-Murray Water's (GMW) response dated 8 December 2016.

GMW has now completed a review of the safety signage at Lake Dartmouth. The Coroner recommended that GMW erect additional safety signage adjacent or proximate to the boat ramp at Lake Dartmouth.

I advise that the Coroner's recommendation has been implemented. GMW has erected an additional safety sign on the floating pontoon located at the bottom of the boat ramp. GMW also replaced the signage located at the top of the boat ramp with new signage. GMW engaged with Transport Safety Victoria to create the signage.

Should you require further information on any of the above please contact Martina Cusack on (03) 5826 3869 or [martina.cusack@gmwater.com.au](mailto:martina.cusack@gmwater.com.au).

Yours sincerely
