Dear Ms Bevan,

COR 2020 005014

I refer to your letter dated 26 May 2023, and apologise for the delay in replying to the coroner's recommendation made under section 72(2) of the Coroners Act 2008 (Vic).

Monash Health has carefully considered the recommendation and no practical measures for improving the current system for ensuring that patients receive the right imaging scan in the Emergency Department have been identified within the limitations of available resources.

Thank you for the opportunity to provide this response.

Yours sincerely,

Peter Ryan
Chief Legal Officer
